DIRECTOR'S REPORT

- A. Update on staff hours. With the new staffing paradigm, productivity has increased, there is more time for director duties. No change needed at this time.
- B. Future's School Adult Services and Library Services personnel will attend the program. Due to previous commitment, Youth Services will not. The Library Director will manage the facility along with the Youth Services staff member with an assist as arranged.
- C. <u>Summer Reading Program Highlights</u> –Adventures Begin at Your Library
 - Dates: Jun 18-Aug 3, No programs the week of July 2nd-6th
 - Programs include Renee Plodzik, local author/dietitian, UNH Marine Docents, Estuaries and Watersheds for 4-8th graders, Susie Spikol from Harris Center on nature
 - Incentives for the program: Prizes & Bad PR. The Friends have agreed to purchase 6 gift cards for admission to area attractions. The gift cards will be raffled off weekly and include admission for two adults and two children. The locations include the New England Aquarium, Museum of Science, SEE Science Center, NH Children's Museum, Squam Lake Nature Museum, Montshire.
 - Erin is working on her annual scavenger hunt that takes place throughout the community.
 Nattanan is developing an escape room type challenge for older kids that will take place at the library

- Erin is preparing the first Story Trail of the summer, Steve Breen's Woodpecker Wants a Waffle. It runs from 5/28-7/12.
- D. Met with Morgan Ring from White Birch to discuss their new facility and programs. Erin and I conveyed to her that the greatest issue is middle school kids not necessarily teens and suggested focusing on that group instead of John Stark kids.
- E. Juneteenth. This year the holiday falls on the Wednesday directly following the kickoff of summer reading. After discussing with the CYS librarian, it was felt that it would be detrimental to the program if we closed on 6/19. Suggest removing it as a holiday or remaining open but staff eligible for a day off at their discretion. Town of Henniker eliminated it from the holiday schedule in advance of 2023. Last year Juneteenth fell on a Monday so it didn't impact the library.
- F. Moose Plate Grant Phase 3 Granite & Mortar Project: east and west elevation grant was submitted on 4/19/24. Project cannot commence until after October. Tentatively scheduled for then with tradesmen.
- G. Other projects staff no longer fighting fires and/or treading water! After months we finally have staff in place to complete projects.
 - 15 months later, the J-Room books have been reorganized under subjects for easier finding (looking for books on animals, sports, mysteries, etc.)
 - Looking to create a biography section on Main Floor
 - Marketing and media work happening more deliberately
- H. Court-ordered supervised visits Notes from the field

- J. Steps to create the Community Gallery
 - I would like to launch the CG in September with a library project. Nattanan has created TFL coloring sheets that we would hand out during the summer and then mount them in space in September as part of the 120th recognition.
 - Wendy has roughed out a policy for the gallery space. Continuing to refine.
 - Remove and store artwork from the NH Room until the transfer can be ironed out with HHS.
 - Move artwork from Soderstrom Room to NH Room
 - Move remaining bookshelves to NH Room
 - Purchase and install hanging system
 - Launch space in September with 120th Celebration & Gallery Opening

HISTORICAL SOCIETY REQUEST FOR CONSIDERATION

- A. Historical Society & Artwork
 - The HHS is willing to take the artwork from the NH Room. The library founders will be moved from the Soderstrom area into the NH Room to make space for a public art gallery. The HHS would like us to give the artwork to the HHS outright instead of as an addendum to the Permanent Loan Agreement.
 - When I started this conversation they asked that our two organizations revisit the permanent loan agreement
 - I met with HHS representatives on 4/30. The following issues were raised:

ITEM 4

- i. Authors of the original permanent loan agreement no longer affiliated with either party
- ii. HHS looking to deaccession some of the items in the permanent loan agreement that are:
 - 1. Redundant (example five complete sets of China)
 - Don't necessarily meet the intent of the HHS mission of gathering items of direct relation to the history of Henniker. Much of the collection in question are items that would fall under the guise of a "Cabinets of Curiosities" collection, typical of the early 1900's.
 - 3. There is no consideration on how to dispose of those items except returning them to TFL.
- HHS would like TFL to consider:
 - Converting the permanent loan agreement to a permanent ownership agreement of those items that meet the HHS collection criteria
 - ii. Agreeing to deaccession those items that do not meet the HHS collection criteria
 - iii. Negotiating a strategy for removal
- Questions and quandaries
 - i. Provenance of some items questionable, intent mechanisms need to be found, examined. Research on these items will take more time.
 - ii. Do the two parties have authority to disband the permanent loan agreement?
 - iii. What to do with those items that there is agreement on removing?

Motions regarding Historical Society

Motion: Move to repeal the permanent loan agreement and replace with unconditional gift to the Henniker Historical Society.
